

This month we have enjoyed lots of play and activities linked to Autumn. We have been talking about the changing colours around us and exploring different textures we might find in nature. We've enjoyed celebrating World Kale Day and National Apple Day where we explored the foods and talked about how they are harvested as well as making pictures using the fruit.

Jelly Babies and Tots Highlights

This month in Jelly Babies it has been super messy. We've explored new foods by feeling the texture of them with our hands and toys.

We have created some Autumn crafts including painting pumpkins by using apples and making spider plates. We look forward to doing some more autumnal crafts over the next few weeks.

Tots have taken part in a range of activities linked to Black History Month. Including some African inspired mosaic art and building our own rockets like the astronaut, Mae Jemison.

For World Archaeology Day we watched a video showing how dinosaurs are found and then used our new found knowledge to become archaeologists to find shells and dinosaurs in the sand.

Leah – 0-2 Floor Lead

Bridie - E.Y.E **Amelia** – E.Y.E **Zoe** E.Y.E

Kim – Managing Director, DSL, SENCo (office based)

Lydia – Deputy Manager (Jelly Beans Room/ office based)

Jorja Level 3 Apprentice **Helen** – Cook **Kim. W** - Lunchtime Assistant & Bank Staff **Caroline** – Bank Staff

Jelly Beans Highlights

This month, we have been exploring our Autumn sensory tray full of colourful leaves, pine cones, sticks and conkers! We talked about the changing colours of the leaves and the texture of the crunchy leaves, spiky pine cones and prickly conker shells.

We have been developing our listening skills further by learning a new game called 'Musical Islands'. We have also been listening carefully to the sounds that instruments make in order to identify which instrument is playing by hearing its sound alone - we are superstars at this!

We've been practising our mathematical skills by putting the characters and objects from the story of Goldilocks into size order.

We have also been learning about the importance of handwashing and how we can help to keep our bodies clean and healthy.

Wendy – Room Lead, DSL
