

We have had a lovely November here at Jelly Bears. We have celebrated National Kindness Day and made some crafts to share with our friends. We talked about Fireworks that we might see during Diwali and Bonfire Night and created our own using paint and colourful rice. We are looking ahead to Christmas and Hanukkah in December, and all the activities that come with those festivals.

Jelly Babies and Tots Highlights

Jelly Babies have taken part in National Road Safety Week by painting with cars and driving cars on our DIY road.

We all enjoyed exploring our autumn bags where we looked at all the lovely items the children brought in: a pumpkin, some acorns, lots of leaves and pine cones!

Tots explored some jelly and chocolate chips for an activity linked to Remembrance Day where they made poppy's. Afterwards the children squished the jelly, as well as tasting it, along with the chocolate chips.

For National Black Cat Day we made some cat masks using sponges and paint. Then wore our masks and pretended to be cats by "meowing" into mirrors.

Jelly Beans Highlights

We had a surprise sprinkling of snow so we went outside to try and catch some sparkly snowflake! Some of us had a go at writing some familiar letters from our names and making other marks in the snow with our fingers and footprints too!

For National Nacho Day the children tasted nachos and tried different types of sauce to go with them. We tried salsa and cheese sauce however the children found the salsa spicy and decided to mix it with the cheese sauce to make it less spicy. NJ - that's really spicy NC - I have these at home, EG - I like spicy!

We had lots of fun dressing up in our spotty outfits to raise money for Children in Need and we explored some messy, sensory activities, arts and crafts. Thank you for your kind donations towards this very worthy cause.
